# Canoe Trip Log June 5-10

June 5

We got up about 7:30 and had breakfast at the base. After equipment was packed, we got our canoes and paddled down Moose Lake leaving the base at about 9:30. Everyone was getting along OK except one canoe in which we soon changed stern men and proceeded without delay. We had dinner on Birch Lake and paddled on to Camp Subportage where we made camp and had supper in the rain.

June 6

After a cold night, we got up and had a hot breakfast that put new spark ~~ing~~ into everyone along with the sun. We packed and started for Agnes which was our goal for the night camp. We stopped at Bayley Bay Ranger Cabin to get our travel permit and fishing licence. Fredrickson, the man in charge, told us of the invasion of France. Everyone was excited and didn't eat much for ~~supper~~ dinner that noon. On the Portage into badou some of the fellow saw their first bear and all seemed to be more excited. After two hard Portages we arrived in Agnes where we camped for the night.

June 7

We decided to camp at the fall for the day so we went fishing while others went exploring a little stream. The fishermen got two lake trout and the explorers got wet from a mishap. We baked two pies and had them for supper to the delight of everyone.

June 8.

We got up bright and early had breakfast and started up Agnes for North Bay. We portaged from Agnes to East to Jeff to Pot hole to west to Barbara to North Bay. We ~~also~~ saw another bear in west swimming for and island. We ate dinner on North Bay and heard some more about the War from some fishermen. ~~We~~ We paddled down Basehood and camped on Wind Bay.

June 9.

We got up had breakfast and went fishing we got 6 fish which we took with us ~~after~~ to moose lake where we camped for the night.

June 10 -

We cleaned the kettle kit up and arrived at the base at 9:00 clock so the fellows could get an early start for home.

CHARLES L. SOMMERS' WILDERNESS CANOE TRAILS
